

PCI College

Postgraduate & Masters Addiction Counselling & Psychotherapy 2020

This programme is designed to provide students with the skills and approaches to work effectively with addiction and gain Masters Qualification. Validated by Middlesex University.

About the Course

Students will gain an understanding of the major theories and models of up-to-date evidence-based treatment used to help clients with a wide range of addictions. Students will also learn and practice the key skills for the treatment of addictions, as well as an overview of the social and practical issues arising. Students will engage in clinical placement work of 100 hours over the duration of the course, to put into practice the skills and knowledge gained in the programme. Individual clinical supervision will be required during the placement, and attendance at personal therapy is also a requirement.

The MSc. Addiction Counselling & Psychotherapy is a comprehensive professional training course, focused on working therapeutically with people dealing with addiction. The course is validated by Middlesex University, and is designed to supplement trainees' existing qualifications to allow them to work with addictions in a therapeutic setting.

Please note that the MSc Addiction Counselling & Psychotherapy course is not a stand-alone counselling qualification, and does not qualify you as a Professional Accredited Counsellor, as it is not an accredited course.

This course is intended for Professionals currently or considering working within addiction services in professions including Counsellors/Psychotherapists, doctors, nurses, youth workers, social carers, social workers, psychologists etc., who wish to solidify and enhance their qualifications and to gain contemporary theoretical knowledge and practical skills to work therapeutically with those affected by addiction.
